Meow Chia & Stephanie @ Cameron Highland

This is the second actual wedding event that Trinity photographed, while the first one being covered by Ik Bing & Aaron in SP on the very same day!! We are also excited to say that, this is the highest (in terms of altitude) Actual Wedding Day event that Trinity had ever covered since the day this team was founded. The wedding day was held in one of the coolest places in Malaysia, the Cameron Highland. Good things is we don't get to sweat that much as we usually do, and the best is they have a scenic landscape over there. Besides that, we had a chance to work together with a talented photographer- Willy Chen. He is a good photographer and it is a great experience to work with together another photographer.

On the day before the Actual Wedding Day, it was raining almost the whole day, even until the night, there is still some rain drops outside the window. However, when we woke up the other day, god had blessed all of us with bright sunlight and nice weather. This wedding event is being carried out at a very unique heritage cottage house in the highland. The cottage house is designed in old European style, where you'll find a small lush garden which is full of healthy flowers and trees beside the building. This is definitely a most precious moment for Trinity to photograph in such a decent place!

Here is the Same Day Edit (SDE) slideshow that we made for the lovely couple- Meow Chia & Stephanie. You'll be able to feel the happiness of the couple through the photos, as they are not only smiling on their face, but through their eyes. Once again, congratulation to Meow Chia & Stephanie, wishing them all the best and happily ever after.

Shing Wei & Lay Cheng

A SDE slideshows that we did for the couple for their wedding dinner reception day at SP. Shing Wei- the person that we knew is a less talkative kind of person, cool as cucumber at most times, turned to be different, he was a sport on his Big Day.. hah! =) Shing Wei sang, and danced, completed all the challenges in fetching his bride- Lay Cheng, from PG. Way to go, bro!

We enjoyed being at your wedding ceremonies. Congrats to both of you, hope you like the slideshows that we did for you. Please enjoy.

KK Tan & Stephanie

Here's the SDE (Express Edit) on the tea ceremony that we did for the couple, which happened in Butterworth on the Merdeka Day. Their tea ceremony was later followed by a Holy Matrimony and Dinner Banquet at Pearl View Hotel, BW. It was the second time Trinity work together with Kee Sitt from **Wedding Story**, well what can we say more? He is one of the most talented videographer in town (not to mention friendly and funny in person). We had fun throughout the entire shooting process with you guys.

A quick post of the 'self portrait' taken after we completed their wedding dinner banquet, utilizing a pair of sturdy hands and a wide angle lens. If you guys do notice, we are doing this quite frequent in recent weddings, and I think it is done as in harness with the 'culture' of Trinity that we are trying to establish here. =)

Hope KK & Stephanie like the slideshow that we did for you both below, and finally we wanted to wished you "May your love grow ever stronger as you share your lives together, and may your future be even more wonderful." Cheers and hope you both enjoyed your honeymoon trip to Taiwan.
